My husband and I have a bit of what you might call an open relationship. If one wants to play around then the other should have the same chance. In the beginning we were pretty faithful, but as time went on, we both wanted new sex partners and it has been the best thing since.

BLAIR-NTS-03

Alley Dalliance

The guys treated me to the night at the club in honor of my fortieth birthday. "You're over the hill," they kidded. "This will make you feel young again."

One of the dancers certainly did. She came to the table and did a lap dance for me. Sitting right on my hardening dick, she squirmed her tight, rounded butt all over my groin. While the guys looked on and hooted at us, the young girl (her name was Lisa, but I didn't know that yet, and I doubt she was anything more than the legal 18) draped herself over my raging boner. She rubbed that cute rear end right across my dicktip. I was embarrassed because by now I was seeping pre-cum like there was a big leak in a dam, and I was sure I was getting her butt-cheeks wet.

But Lisa didn't act like there was anything amiss. She just kept moving around, gyrating on my lap, rubbing her luscious butt-cakes on my throbbing dick. I was wriggling in the seat now. And the guys were hooting and clapping and whistling. Lisa squirmed on my lap some more. And pretty soon I got off, actually came in my pants. I was kind of embarrassed. But Lisa just grinned like she was real pleased with herself. She didn't seem at all unhappy. I tucked some money into her G-string still more or less in a daze. A good orgasm will do that to you.

Later, during an intermission, I went out to the alley for a smoke. Lisa was there doing the same thing. "I see we have the same vice," I said.

"Among others," she answered with a wink. I felt embarrassed again. I've always been kind of a shy guy. But Lisa sure isn't shy! She ambled over to where I was standing, positioned herself right in front of me, and slithered her body up against mine. "Thanks for the tip before!" she said, making me wonder just how large a bill I had given her. I really hadn't been paying too

much attention.

"You deserved it," was all I could think of to say... and then she plastered her body so tightly against mine that I was driven back against the wall. Panting, she started to undulate on me.

Lisa's ripe young boobs mashed against my chest, and she drove her pelvis hard into mine. Her sweet young pussy ground deeply against my hard-on, and yes, I did have a full-blown erection all over again, even though I'd just unloaded into my pants a short while ago. My sticky shorts were still clinging to me from the last load of spent jism, but now

Lisa had raised a whole new boner. And she was doing her best to keep it hard!

She slipped two hands behind my ass and drew me close to her, grinding her pelvis against me as she pulled me forward. Her sweet, warm body seemed almost innocent in its youthfulness despite her occupation. I was enchanted. I began hunching hard against her. "Any chance you would... you know—let me inside you?" I whispered hoarsely.

Her voice was almost as hoarse when she answered, "Sure—and this one's on the house."

She pulled her G-string aside, then yanked my zipper down and fished for my dick. At first, she had trouble extracting my swollen, cum-thickened rod from my pants because it was so engorged. Once she got it out, though, she sure didn't have any trouble getting it into her! She rose up on her tiptoes, positioned my dick at the entrance to her sweet, young pussy, and just sort of slid down onto it. Then, when she had me trapped inside her, she began to rock up and

down on my hardened shaft.

Her tight pussy wrapped itself around my dick like a python and held me in its grip so strongly that it was hard for me even to move. The position made it difficult to fuck her, but I did my best. Standing up, facing her, bumping her belly with mine, I rocked back and forth gently, careful not to slip out of her. All of this really slowed me down, so I didn't get off as fast as I often do. Instead, I stood there driving my dick into Lisa with measured strokes.

Her nipples were covered only with pasties. I looked at her petite, tender, young boobs and wanted to suck on them, but those damn pasties were in the way. I didn't want to do anything to dislodge them, so I fingered her stiffened areolae instead.

Running my fingers round and round, I traced the coral-pink circles and felt them stiffen up under my touch. And the more I messed with them, the more her slick pussy rippled along my dickshaft and squeezed it.

Lisa was really writhing now. She was also gasping and moaning with unadulterated need. Her tender young flesh rubbed up against me and sent thrills shooting through my body. Suddenly I didn't feel like I was entering middle age with this birthday. Suddenly I felt very young again.

I clasped her taut, sweet butt-cakes in my hands and squeezed them as I pulled her up close to me. Suddenly the urge to come was overpow-

ering. "Are you close?" I asked urgently.

"Yes! Do it!" she hissed between clenched teeth. I mashed my lips against hers, thrust my tongue into her mouth, and thrust my dick deeper than ever into her wriggly, warm body. Then I sprayed a mighty spew of jism onto the walls of her pussy. She stiffened in the throes of what must have been one hellacious climax and strangled a screech, biting my tongue in the process.

She disentangled from me. "I have to get back inside!" she gasped. "Intermission's over."

For the rest of the evening, I swear she was dancing especially for me. She hardly took her eyes off me as she undulated on that stage.

As much as I enjoyed the show, I couldn't raise another hard-on. She had fucked me good, and I was one satisfied man.

Kirk, Chicago

Blindfold Bang

It was my forty-fourth birthday and my boyfriend, Danny, had promised me a surprise. He told me to slip into something sexy and lie down on our bed. He put a blindfold over my eyes, just like he often did when we made love, and told me to stay put. Then I heard him leave. I couldn't figure out what he was up to, and my heart was racing. A familiar tingle shot through me as I heard the apartment door open and close. My pussy quivered in anticipation as the footsteps came closer, and I felt him sit down on the edge of the bed.

Anna Bell: I was fifteen and yeah, I still have it. But I've inked over it for a better one.

40+: *Okay... I assume you fuck men with tats, but what about those with a clean canvas?*

Anna Bell: Oh yeah, tats have nothing to do with who I fuck. I've done shoots with all tatted girls and guys, but that's for the look of it, not my personal preferences.

40+: *Do you have a sexual preference in a partner?*

Anna Bell: *No, not really, I like both, but I will tell you that even though I'm a older, I've only did girls for a long time*

“What’s the surprise?” I asked, impatient to tear off the blindfold.

“Sshhh,” was his only reply. Then his hand brushed across my breast, and my nipples hardened instantly.

That’s when I decided just to lie back and enjoy whatever he had in mind. He had obviously put a lot of thought into this, and I didn’t want to ruin it. His hand pushed aside the silky fabric, and I felt his warm breath on my bare skin. Goose bumps spread across both breasts, and I shivered. Then he kissed and licked my stiff nipples, sending jolts of pleasure to my throbbing clit.

“Mmmm, that’s so good,” I groaned.

He slipped his thumbs beneath the waistband of my panties and pushed them down. His warm, wet mouth continued to tease my nipples. He even let his teeth scrape against the sensitive skin a time or two. Then his lips inched down, kissing a trail along my belly. I was so hot, so horny. I didn’t know how much more I could take. He spread my legs, and his fingers parted my swollen pussy-lips. His touch was so gentle and experienced—almost like a different person’s.

“Don’t stop,” I begged.

But that didn’t keep him from pulling away. He rubbed his cock across my breasts, then aimed it for my mouth. I moaned when he let his hard-on slide onto my tongue. I loved sucking cock, so I eagerly devoured his hard, hot flesh. I swirled my tongue over and around the head, then drew it deeper and deeper into my throat. A low moan escaped from deep inside him as I swallowed, squeezing his throbbing erection with all the strength in my throat muscles.

His cock plunged in and out of my mouth, moving harder and faster. I waited, anticipating the moment when his load would blast the back of my throat. But it didn’t happen. Instead he let his cock slide from the corner of my mouth. He slithered down my body until the thick head was rubbing against my wet slit. In one quick jab, he buried his entire seven-incher in my slick pussy. I groaned, feeling like I’d been stretched wide open. My body was full of hard, hot cock. He waited for just a second,

then pulled back. I felt empty, like I had been totally abandoned.

“Fuck me,” I begged, as my pussy quivered, hungry for his cock. He fucked me slowly, with long, deep strokes. He mashed his groin against my throbbing clit with each forward thrust. I bucked and thrashed, eagerly meeting each of his powerful jabs. Danny had never fucked me like this before, and it felt so good. I thought we might even come together.

He licked and sucked on a nipple while his body convulsed as one wave of pleasure after another swept through me. Then he made one last, powerful lunge, burying his cock in me as deeply as possible. At the same time, he pressed his lips to mine, and pushed his tongue into my mouth. I felt his cock jerk and twitch as his hot cream exploded inside me.

I wrapped my arms around him and held him close, realizing suddenly that it didn’t feel like Danny. This guy’s back was broader, more muscular than Danny’s—plus it was smooth, hairless. My heart raced. I pulled the mask off and looked up into the eyes of Matt, one of Danny’s co-workers. I’d only met him once before. Then Danny walked in, grinning mischievously. “Well, I guess you really enjoyed your birthday. You always said you fantasized about having sex with a stranger. I thought that for your birthday, I would make your fantasy come true.”

I couldn’t believe Danny had actually arranged this. But it had been my fantasy for a long time. That was one reason I had always gotten off on being blindfolded. I could imagine I was fucking a stranger, that I was being taken by someone I didn’t know. This time I was.

ADRIANA & DICK

When I turned eighteen, I thought the world was my oyster. I wanted it all and went for it all. What I didn't get was a happy sex life, so I expanded my horizons and found love for all my right places. By 40, I'd only had anal sex a time or two and I'm really starting to like it a lot. It is a great feeling!

BROOKE

Brooke says she's personal chef as we walked through the market. I watched her selecting fruits and veggies as we talked. For some reason, that seemed to get her hot and after a squeeze or two of her melons. But I soon discovered that her sexual appetite was bigger than her hunger.

triple X teen

The hottest action at the porn theater wasn't on the screen!

My wife had gone out of town for the weekend to visit her family, which left me with 48 hours to pursue my favorite secret pastime—whacking off to some steamy, hardcore videos. It's something I can't do when my prudish old lady's around, because she says that a respectable, 40-year-old businessman should set a good example for the community. I say piss on the community. Still, I'm smart enough to keep a low profile by going to the next county for my porn shopping.

Unfortunately, my VCR broke down right in the middle of the first movie! Horny as hell, I decided to be bold and visit the only remaining triple-X theatre in town, figuring that if I was careful, I could sneak in, have a couple of quick orgasms, and sneak out again without anybody recognizing me. You can imagine my surprise when I discovered my business partner's 18-year-old daughter, Emily, standing behind the ticket counter.

"Good evening, sir...Mr. Bolton?" she squealed, her dazzling blue eyes growing wide.

"Emily!" I exclaimed, turning six shades of red.

For a brief, heart-stopping moment, we stood gawking at each other. I suppose any other fellow's desire would have diminished at that point, but not mine. If anything, my already-stiff cock expanded another inch the instant I saw the beautiful teenager. Her long blonde hair, aristocratic features, and willowy figure always made me pop a boner whenever I was around her, and tonight was no exception.

Not knowing what else to do, I laid my money down, grabbed my ticket stub, and hurried

into the darkened theatre, wondering why Emily's dad would allow her to work in a place like this. Frank Stanton was an uptight prude, and his daughter had always seemed to be the perfect example of unblemished virtue—which hopefully meant that she'd keep her mouth shut.

A few minutes later, however, as I settled down into a vacant seat and draped my jacket over my lap, maintaining my reputation was the farthest thing from my mind. Ogling the two big-breasted sexpots up on the screen going after their well-hung studs got me so horny that I quickly released my cock for a good stroke.

Suddenly, I heard someone shuffle down the aisle, and a lilting voice whispered my name from the seat to my left.

"Emily?" I hissed, turning to see her innocent face staring at me from the inky darkness.

"I'm sorry to bother you, Mr. Bolton," she murmured, "but I just finished my shift and I wanted to explain something."

"There's no need, Emily," I croaked, trying not to stare at her high, perky tits pushing up the front of her plain white blouse, or her cute, dimpled knees peeking out from beneath the hem of her short skirt.

"See, I really needed a job and this was all I could find," she went on, lightly touching my forearm. "You can't tell my father. He'd freak!"

"Okay," I mumbled. "Your secret's safe."

That's when things got out of control. In her enthusiasm, Emily reached over to hug me, and accidentally knocked my jacket onto the floor.

"Thanks, Mr. Bolton! You're... Oh, my god!" she squeaked, spying my thick 10-incher sticking up through my fly like a flagpole.

You can imagine my surprise when I discovered my business partner's 18-year-old daughter, Emily, standing behind the ticket counter.

"Please, Emily," I sputtered, "be careful!"

But the astonished girl didn't seem to hear me. The next thing I knew, her slim fingers were curled securely around my rigid shaft.

"Wow! Your thing's much bigger than any of the boys' at school," she trilled, gliding her fist slowly up and down my veiny length. "You don't mind—do you? I mean...I've never seen one this...oooooo! Look at all the stuff coming out!"

She was referring to the river of pre-cum issuing from my flared piss-slit. It oozed down over her clenched

knuckles to coat her forearm.

"Emily," I croaked, bucking my hips automatically, "you'd better stop!"

"But I don't want to!" she whispered, grinning wickedly. "Can I get a closer look?"

Before I could protest, Emily had scooted off the seat, crouched over my stiff cock, and started swirling her tiny pink tongue around my greasy knob. I couldn't believe it! Little Miss Priss was lapping up my discharge like a 10-dollar whore! Luckily, the place was nearly deserted, because I started groaning loudly and wiggling around something fierce real fast. The tickling of her tonguetip, combined with the warmth of her plush lips, had set my balls on fire. Even though I shouldn't have, I entwined my fingers through her silky golden mane and gently pushed down on the top of her head.

"Suck it, sweetheart," I crooned. "Show me what you do to those boys at school when nobody's watching!"

Emily immediately opened her mouth. I jacked my hips, and in a flash my cock was tapping her tonsils. I was amazed at the girl's performance. My size didn't intimidate her at

all. In fact, once she'd stretched her young jaws to accommodate my girth, and gurgled up a bit of saliva, she moaned softly and began bobbing rapidly on my throbbing cock. One small hand gently jerked the base, and the other snaked its way inside my pants to fondle my swollen balls. Soon I was pumping my entire cock into her dainty mouth at top speed, well on my way to dumping my load down her gullet. I suppose that if I hadn't already been turned on, I could have held out longer, but Emily was applying so much suction to my cock that it probably wouldn't have made any difference.

"Awwwww! Shit!" I grunted. "I'm gonna come, honey!"

The sassy slut threw me for a loop by quickly gulping down my pulsating cock, then gliding back up to the flared tip just in time to receive my sperm cocktail. I really pumped out a heavy load, but Emily didn't miss a single drop.

"Mmmmm! You're delicious!" she cooed, smacking her moist lips. "You want to eat my pussy? I know a place

where we can go!"

What an offer! Without thinking, I nodded my head, tucked my limp cock back into my pants, and followed Emily's swaying, round backside down the murky aisle until we reached an unmarked door.

"This is where everyone goes to get it on," she giggled, hustling me into a nearly empty storage room.

I didn't hesitate once she tripped the lock. With the memory of her expert blowjob still fresh in my mind, I took her into my arms, maneuvered her up against an empty shelving unit, and swiftly peeled her thin blouse off so I could cop a feel of her naked chest.

What a precious pair she had! About the size of ripe mangos, Emily's cone-shaped tits fit perfectly in my large palms. I simply couldn't resist sampling those delectable mounds. Growling insanely, I leaned in for a taste of her cute pink nipples.

"Ohhhh, yeah!" Emily whimpered, pressing my face into her nubile cleavage. "That feels awesome! Ohhhh, god! Suck my titty, Mr. Bolton!"

While I switched my nursing lips from one

tit to the other, I bunched her skirt up above her sleek, girlish hips. Next, I yanked her skimpy bikini panties down over her long, coltish legs, then kissed south along the sleek plane of her heaving tummy until I was squatting between her supple thighs. When I scraped my tongue over her downy labes, she shivered wildly, and when I pried them apart to slurp at her fragile opening, Emily let out a shriek of pure pleasure.

“Oh, Mr. Bolton! That’s it! Lick my nasty little pussy! Oh, gawwwd! Yes!”

She didn’t have to tell me twice. The sugary sweetness of her pussy-syrup trickling down my throat reminded me of fine wine, and I wanted more. Gliding my hands up the backs of her willowy thighs, I cupped her flexing teenage ass-mounds, buried my wagging tongue deeper inside her slimy pussy, and curled my upper lip over her throbbing clit.

“Aieeee! Yesss!” she shrieked, writhing in my embrace. “Do my clit, Mr. Bolton! Ohhhh! Yesss! You’re making me come!”

She wasn’t kidding. I had to use all my strength to hold onto her lurching hips without falling over. By the time she finally stopped shuddering, my cock was fully recharged, and the only thing I could think about was screwing her senseless. The gorgeous vixen must have read my mind, because she swung around to bend over one of the shelves and sensuously shook her youthful ass in my face.

“Give it to me, Mr. Bolton,” she moaned. “I know you’re hard again, and I want you to fuck me! Nail me good! I’m no virgin! I can take it!”

That was all I needed to hear. Jumping to my feet, I shoved my pants down and entered her hot, super-snug pussy in one sharp thrust. What a sensation! It had been a long time since I’d experienced such incredible pressure. For a moment I froze, fearful that I might hurt her. But the nubile nymph was far too aroused to wait.

“Awwwww! Emily!” I growled. “You’re so damn tight!”

“Don’t stop, Mr. Bolton!” she whimpered, eagerly pushing her firm, young ass back at my rampant cock to urge me on. “I need to feel every single inch inside me!”

Reacting to the clutching heat of her pussy, I slid my hands upward from her trim waist to snag her immature tits, withdrew about halfway, then slammed her again.

“Faster!” she yipped, setting one tiny foot up on the bottom shelf for leverage. “Fuck me faster, you dirty old man!”

What a tramp! Giving in to my desire, I threw caution to the wind and went into overdrive, pumping into her snapping teenage pussy

at top speed. Emily took all I had to give without complaint, and it wasn’t long before our pleasurable cries mingled with the outlandish rattling of the metal shelves as we churned toward satisfaction. I thought I’d pop first, but the sexy little minx beat me to it.

“Ohhhh, god! Yessss!” she

wailed, gyrating uncontrollably. “Fuck me, Mr. Bolton! Awwwww! Yes! Uh-huh! I’m coming again! Oooooo! You’re making me come again!”

Suddenly, her squishy pussy collapsed around my driving cock, and I went spiraling over the edge. “Damn, Emily!” I shouted. “I’m gonna shoot, baby! I’m gonna shoot!”

“Come in my pussy, Mr. Bolton!” she cried. “It’s okay! I’m on the pill! Come inside me! I want to feel your spunk inside me!”

That turned out to be a good thing, because I probably couldn’t have pulled out in time anyway. Gritting my teeth, I squeezed her bouncing tits and emptied my balls deep into her spasming pussy before collapsing on top of her.

“Emily Stanton,” I panted, “you’re a fake! You’re also one great lay!”

“Mmmmm! Thanks, Mr. Bolton. That was fantastic,” she purred. “I’ve wanted to jump your bones ever since you and my dad became partners!”

“I’m sorry I didn’t know that sooner,” I wheezed, playfully nibbling on her earlobe.

“Well, now you do, so what happens next?”

There was no mistaking her intent. Emily wanted to play some more, and I wasn’t about to pass up an opportunity like that.”

“Busy this weekend?” I inquired.

“No! And my parents are going to be out of town until Monday. Do you have any ideas how I could spend my time?”

Did I ever!

Reacting to the clutching heat of her pussy, I slid my hands upward from her trim waist to snag her immature tits.

DIAMOND & MILKEY

I admit that I'm a multi-orgasmic person. I can cum many times and what's really cool about it is that each one is different depending on where it's cumming from. I guess I'm now going to find out where my next one cums from.
